

JEREMIAH TLADI & CO

Attorneys | Conveyancers | Notaries

CORPORATE & COMMERCIAL

Our highly experienced commercial team are experts in drafting and interpreting commercial agreements.

Our services include the drafting, negotiating, and reviewing of:

- Shareholders', partnership, and joint venture agreements
- Lending agreements and related security agreements, with a specific focus on alternative structured finance arrangements and securitisations
- Cross-border transactions
- Acquisition arrangements, including sale of business/shares agreements
- Corporate restructuring arrangements, including share buy-back agreements, assets-for-shares arrangements, and share incentive schemes
- All forms of bespoke commercial and business contracts
- Due diligence investigations (corporate, commercial, and property related)
- Service Level Agreements
- Lease agreements
- Agency and distribution agreements
- Land availability agreements
- Property development agreements
- Building construction agreements
- Agreements relating to entertainment, including production agreements and broadcasting agreements
- Franchising agreements
